

Preventing the next pandemic

World Animal Protection is pleased to invite you to a virtual parliamentary reception, **Preventing the next pandemic** on **March 24, 2021 at 6:30 pm EST via Zoom.**

We would be thrilled to have you join us to learn more about the role of the commercial wildlife trade in driving pandemic risks and the need for a **One Health, One Welfare** approach to safeguard people, animals and the planet.

The reception will feature remarks by representatives from World Animal Protection, special guests and representatives from all parties. We hope you can join us to discuss this very important topic.

Please email info@kpwcomms.com to **RSVP** and receive the Zoom link.
