

1. Would your party support regulations to prohibit interactions between people and wild animals that pose a risk to public health and/or safety or cannot be done humanely?

Yes

No

Additional comments:

A re-elected PC government would support regulations ensuring the health, safety, and well-being of the public and wild animals.

2. Would your party support regulations to restrict the trade, keeping and breeding of exotic wild animals as pets, in cases where these animals either cannot be kept humanely or may pose a threat to public health and safety or the environment?

Yes

No

Additional comments:

A re-elected PC government will monitor the situation regarding exotic animal trade, keeping and breeding. When deemed necessary and appropriate by experts in this area, we will support regulations that will ensure the humane treatment of animals and the health and safety of the public and the environment.

Additionally, we would support increasing educational material available to the public about the risks exotic animals pose and the best practices in caring for them while ensuring public safety.

3. Would your party commit to implement the recommendations of the 2021 PEI Animal Welfare [report](#) developed by the Department of Agriculture and Land?

Yes

No

Additional comments:

A re-elected PC government would work to implement the recommendations made in the 2021 PEI Animal Welfare report with a focus on enhancing educational support available to the public.
